

First Aid / CPR 2017 Skills USA

Advisors and Students:

Contest participants must bring a one-way-valve pocket mask to the First Aid / CPR competition.

Face Shields will be provided for the Infant CPR portion.

Participants must be certified in either the 2015 American Heart Association (AHA) BLS and AHA First Aid, or American Red Cross (ARC) Basic Life Support for Healthcare Providers and ARC First Aid; contestants must bring copies of their certification copies to the contest.

We will be using the following to conduct skills and written testing:

HeartStart® FR2 AED Trainer

AHA 2015 Guidelines for BLS and AHA 2015 Guidelines for Heartsaver First Aid
