

Nevada Association of SkillsUSA Business and Industry Service Award

Purpose

The Business and Industry Service Award is to recognize and honor a business or industry which has provided outstanding service in career development to students enrolled in SkillsUSA. Any professional member of SkillsUSA may nominate a business or industry for this award.

The Award

The recipient(s) of this award will receive a plaque and will be recognized in a special presentation at the first general session or awards ceremony at the State Conference and Skills Championships.

Eligibility Criteria

To be eligible, a business or industry must have helped a student(s) achieve career development goals by providing training opportunities through school visits, job shadowing programs or work-site mentoring, or other types of support that enhanced the students' occupational training program.

Application Process

The application shall be two pages in length and contain the following information.

1. Name of business or industry with complete mailing address.
2. Name of contact person at the business industry with phone number of that contact person.
3. A short description of the business or industry (i.e., types of products produced, service provided).
4. A complete description of how the company assisted the career development of students enrolled in SkillsUSA. Please provide specific information and include the number of students served.
5. Name of a student or advisor to present the award at the state conference.

Application Selection Process

A review committee will be established to select the winning application based on the criteria listed in 1-5 above.

Application Due Date

Please send all Business & Industry Service Applications to the following address by **March 3, 2017**.
