REGISTRATION DEADLINE IS JANUARY 15TH

Northeastern Regional Welding Contest Description

Date: Saturday, February 6, 2027
Time: 8:00 a.m.
Location: GBC

Students will be tested in the following areas

- Oxygen Fuel Cutting
- Shielded Metal Arc Welding (SMAW)
- Gas Metal Arc Welding (GMAW)

Required projects will be taken from the AWS Entry Level Welder Series

Contestants will also be required to take a written test covering general welding knowledge.

Contestants must bring the following items:

- Hearing protection
- Leathers and welding gloves
- Soap stone with holder
- 10-inch vise grips
- Combination Square
- Divider or Compass
- Ball Peen Hammer (small)
- Tool Box or Tool Bucket
- Safety glasses with side shields
- No. 2 pencil and pen
- Steel tape measure
- Carbon steel wire brush
- Chipping hammer w/ or w/o wire brush
- Center Punch
- Scribe
- Welding helmet/face shield/goggles with appropriate #5 and #10 filer plates or lens

Note: Contestants must wear appropriate work shoes and attire. Safety glasses w/side shields must be worn under the welding hood and/or cutting goggles. (NO TENNIS SHOES)

Contest Updates will be provided to Advisors as needed.

Refer to the 2026-2028 National Technical Standards for more information regarding this contest.

Due to time limitations, the Interview portion of the contest will not be given. No Resume is required as well.

There must be a student chaperone from each school on site at all times during the contest.
